Avalon's best bayfront single-family opportunity on the market. This single family contemporary home is ideally situated facing southwest along Princeton Harbor. Experience bayfront sunsets from the three levels of decks. Enjoy the heated in-ground pool. The home offers (2) boat slips along with a new bulkhead. Located strategically on the wide section of the harbor which is perfect for paddle boarding, sailing, kayaking and fishing. The best of both worlds, the home is ideally located along the harbor allowing for a very short trip to the channel while close enough to walk to the restaurants and shops downtown. There is plenty of room for your family and friends with six bedrooms, all with en-suite tiled flooring bathrooms. There are two powder rooms. Hardwood floors throughout on all three levels. The third-floor owner suite is oversized with a large bath including a makeup vanity area and spacious walk-in closet. View incredible sunsets from the large deck off the owner's suite. A large living area off the second-floor deck has a great view of all the happenings on the bay. No detail was spared in the eat-in kitchen with quartz counters and tiled backsplash. Entertain your friends with a massive kitchen center island complete with built-in beverage coolers and an ice maker. The owner installed top of the line appliances including a Wolf professional six burner gas range, oven and a built in Sub-Zero refrigerator. Upon entering this home there is a large foyer leading to a cozy first-floor den that flows out to a covered bayside deck. The laundry room features built in shelves with a folding area. The home is elevated over the garage that can be used as a game room. The garage includes a large storage space for your beach and bay toys. Other amenities include three zones of HVAC, ceiling fans and (2) on-demand hot water heaters to keep you comfortable. Relax as this home is maintenance-free with a nautical blue fiber cement exterior and azek trim. While this home has never been rented, it could easily rent for \$140,000 a season. Don't miss this opportunity!
