Beautifully decorated and appointed PENTHOUSE. This 2 floor townhouse is located about 2 blocks to the Beach on 19th avenue (where the beach is still plentiful). This gorgeous home offers views of that World Famous North Wildwood Beach as well. Property is not only in move in condition, but the seller will be leaving this beauty almost completely furnished (There is a small vanity in the Master Bedroom that has sentimental meaning). The Main Living area has exquisite tile flooring that is made to look like hardwoods. Perfect for cleaning and durability at the shore. You'll love the open floor plan with cathedral ceilings and Skylights letting in the natural light in this must see home. From the living area, you step down 4-5 steps to your 3 bedrooms and 2 baths including the master bedroom. The laundry and utility room is also located on this floor as well. The Master has a massive walk in closet that could almost be used as a nursery. This home does not have any rentals in place and is ready for immediate occupancy.
