Rarely is a 2nd floor COURTYARD unit at the Lodge Condominiums for sale but you are in luck and what a view!! Even though this is only a studio, it has everything you need. The large living area hosts a queen size bed and a full sleep sofa. The kitchenette has two burners, microwave and refrigerator. All 2nd floor units have balconies. Common area boasts a large inground pool, a kiddie pool, tennis and pickleball court, grills, playground, a clubhouse, laundry room and plenty of on-site parking. 4 pool passes and 4 parking passes are allowed each unit. There are water views of the Inlet right in the immediate courtyard. This is a great and affordable spot for year-round and seasonal living.
