COMMENTS

Now available this beautiful, sprawling, colonial style home. Enter the home through the covered front porch, perfect for sitting in your rocking chair and enjoying the view over the vast front yard and long driveway with parking for a number of cars. As you come through the front door, to the left is a guest bedroom, currently being used as an office. To the right is the formal dining room, just off the open concept kitchen and living room, complete with island and breakfast nook. Pantry closet and laundry area are tucked neatly behind the kitchen. The spacious den is full of natural light and provides extra living space that could be used a number of ways. Upstairs are the primary suite, with ensuite, walk in closet, vaulted ceilings with recessed lighting and jetted soaking tub, hall bath and two guest bedrooms. If you've been looking for a larger home on a secluded lot with room for a garage or pole barn and solar to keep energy costs low, don't miss your chance, schedule your showing today!
