Certain foods make better ingredients for concrete than others, and a high-strength concrete is made by adding them. It mixes the mix of water, cement, sand, and aggregate without the maintenance of a traditional concrete mix. The low maintenance mix is a popular choice for homeowners looking to save money on their maintenance. It is made of concrete, sand, and gravel, and is made of concrete, sand, and gravel.

James Hardie is a well-known cement based siding product that endures and protects homes in all kinds of climate with strength, beauty, and durability. James Hardie siding's strength and thickness provide impact resistance to hurricane-force winds, rotting, cracking, splintering, beetle heat, and swelling.

COMMENTS

Welcome to Cape Island Estates. A few homes of the eight semi-custom new construction neighborhood have been released for sale on our beach to farm Cape May Island. Each unique home is designed with classic lines and timeless architecture yet constructed with modern materials and superior finishes. Easy access to all that Cape May Island has to offer with privacy of large lots and exclusivity of designer construction. This model can be expanded by enclosing the rear patio, adding a powder room in the mud room, finishing a storage area on the 2nd floor to create a 5th and or 6th bedroom, and even adding another bathroom, make the 1 car a 2 car starting at \$40,000. Add a pool, pool house, and more. Paul Burgin, a well-known craftsman, who has been building homes in the Cape May Area for over 30 years, brings integrity, experience, and artistic talent to the new Cape Island Estates. Acre lots set far off Seashore Road (see subdivision). Church Street is a new street and not on maps as of yet. Please see the full brochure. There will be a Buyer coordinator to assist through the process. Anticipate June/July 2025 closing, depending on the Contract date.
