There is plenty of ceiling height in the garage for all your beach gear, vehicles, and golf cart. Inside, the first floor includes three bedrooms (or two bedrooms and a family room) and a full bathroom. The second level is designed for entertaining and will feature a custom kitchen with quartz countertops and high-end stainless-steel appliances, laundry closet, half bath, and a living room with slider access to the deck. The third floor will host two bedrooms, including the primary suite with a large closet, a luxurious bathroom with dual sink vanity, and a private deck with water views. The third floor also has another bedroom and a hall bathroom. You will never have to move your car being a short walk to the beach and right in the middle of Avalon's restaurants, nightlife, and shopping. With construction expected to be completed by late summer, there's still time to customize this exceptional home. Property will be sold furnished.
