## COMMENTS

PRICED TO SELL!! You must come see this well built custom home situated on a beautiful wide tree lined dead end street. Main floor consists of stunning entrance foyer with slate floors that leads to an eat-in kitchen, dining room, huge great room with fireplace, den/family room with fireplace, laundry room with half bath, large enclosed porch with slate floors leading to a spacious fenced back yard with 2 sheds. Second floor in main house features 3 very large BRs all with their own bath and large closet spaces. The full heated basement is partially finished and also has a fireplace and a full bath. In-law/Teen apartment above the garage features 1 BR, 1 BA, eat in kitchen open to living room, W/D & private deck. SO much potential and custom features in this amazing home at an unbeatable price. Come see all the possibilities this home has to offer!
