A stone patio, screened in porch, and well manicured lawn offer plenty of space for outdoor entertaining, relaxation, and recreation. Entering the residence, you are welcomed into a bright and inviting living area with engineered hardwood flooring, custom trim package, recessed lighting, wood burning fireplace, and built-in shelving. The kitchen features custom tile flooring and backsplash, timeless white cabinetry, and a blue-accented shelving system. The primary bedroom is located on the first floor, where the hardwood flooring is continued, and offers plenty of closet space.
