COMMENTS

Spacious home, perfectly nestled into this desirable location and just a few steps from the Delaware Bay. The home features a spread-out floor plan with an open and inviting front room. Continuing in, you'll note a large dining area adjacent to the kitchen. The kitchen has enough room to support a breakfast bar/eat-in area and features a sliding door to access the rear deck and backyard (perfect for grilling outside!). Approaching the kitchen, the floor plan continues to the right, and provides 3 bedrooms, 2 full bathrooms, and a laundry area. Rear-most bedroom is an addition; it features a bedroom, anteroom, bathroom, walk-in closet, and additional closet, with an independent entrance. The home is situated perfectly on the lot and really must be seen to appreciate the layout and possibilities for your buyers.
