This 3,700+ square foot residence spans three impeccably crafted levels. With six bedrooms, five full bathrooms, one powder room, and uninterrupted panoramic views of the Atlantic, this home represents a rare opportunity to own a true architectural icon in the heart of Avalon. Step inside to a soaring, light-filled foyer where floor-to-ceiling glass captures views of the expansive outdoor terrace. The first level features a relaxed yet refined family lounge that opens onto an elevated outdoor entertaining area, complete with a custom heated gunite pool, sandblasted marble patio, mahogany ceilings, and lush, privacy-enhancing landscaping. The sleek in-deck pool offers a serene, spa-like retreat—an inviting sanctuary for guests seeking relaxation and rejuvenation while listening to the sound of ocean waves. A full wet bar with custom cabinetry, Sub-Zero beverage drawers, and a Scotsman ice maker makes hosting effortless. This level also offers two guest bedrooms, a designer full bath, a powder room, a laundry suite with Whirlpool appliances, and a custom mudroom. A detached garage and expansive driveway accommodate guests with ease. Ascend the showpiece staircase—crafted with white oak treads, black steel stringers, and frameless glass railings—to the main living level, where function meets flawless form. A custom chef's kitchen by Hargest Cabinetry is outfitted with a 48" Wolf dual-fuel range, Sub-Zero column refrigeration, a Miele speed oven, a Cove dishwasher, and a built-in Miele coffee system. An oversized island anchors the space, flowing into an elegant living room with a 60" Mezzo gas fireplace and a stunning dining area with uninterrupted ocean vistas. Step outside to a breathtaking beachfront deck featuring Ipe wood, a dramatic glass floor panel with views of the pool below, motorized Phantom screens, Alutech storm shutters, and a mahogany drink rail—all designed for year-round coastal living. Two additional bedrooms and two designer bathrooms complete this level. The third floor unveils a spectacular oceanfront primary retreat. Vaulted ceilings with exposed oak beams, floor-to-ceiling glass sliders, and a private Ipe balcony offer an immersive connection to the sea. The suite features a Sub-Zero coffee bar, a spa-like bathroom with dual vanities and a walk-in rainfall shower, and a custom walk-in closet worthy of a luxury boutique. An additional ensuite guest bedroom and wraparound porch access complete this exceptional top floor. Designed with enduring materials and state-of-the-art systems, the residence includes Ipe decking, Nuedar siding in a refined Argos hue, and Silversmith-finish ATAS aluminum roofing.
