## COMMENTS

Convenient location at the southern end of Wildwood, just 2 short blocks to the beach & boardwalk! This immaculately kept beach condo offers a spacious open floor plan with 1450 plus sq feet of living space. This first-floor condo features an open concept living room, dining area, and full kitchen. The sliders off the living room to a private covered deck! The back half of the condo offers 3 spacious bedrooms, 2 full bathrooms and a laundry room. The ground floor has a private outside shower, and garage with two car parking plus one on the parking pad and oversized private storage unit. This condo is in pristine condition with recent updates including appliances, unit fully painted, AC replaced 2 years ago and new hot water heater. The unit does not have rental history however with the proximity to the beach and boardwalk this unit would make for an excellent rental if desired. Easy to see!
