#### COMMENTS

Partially cleared lot on Rt 9 with plenty of exposure close to rt 147 with a Single family house, workshop and storage buildings on Site. Zoned TB which allows a wide range of businesses that are generally permitted, including retail stores, service businesses, and offices. These zones aim to serve both local residents and potentially a broader area with convenience goods and services. You must do your due diligence and verify with Middle Township for specific zoning restrictions and questions.
