COMMENTS

Welcome to this beautifully maintained 3-bedroom, 3-bath rancher nestled on an expansive oversized lot, offering both comfort and endless potential. Step inside to find a spacious, light-filled living room with skylights and a seamless flow into the dining area and kitchen spaces—perfect for family gatherings. The eat in kitchen features modern appliances, ample cabinet space, with enough space for a breakfast table. All three bedrooms are generously sized, with the primary suite boasting an en-suite bath and ample closet space. Laundry room with scrub sink and a very large pantry closet. Wait...there's more! Off the back of the house there is a huge Florida room with an electric stove for heat and a window air conditioner. From there you enter the recreation room/family room complete with a gas fireplace, bar and full bath. Great entertaining space or extra sleeping for guests. Outside, the oversized lot provides a rare opportunity for outdoor living, gardening, or future expansion. Whether you're dreaming of a pool, workshop, or simply more room to roam, this yard has the space to make it happen. The property also includes a large driveway and attached 1.5 garage, offering plenty of parking and storage options. Tucked into the quiet, established neighborhood of CENTENNIAL VILLAGE, yet close to recreation park/playground, shopping and the infamous Menz's restaurant. Just 10 minutes to Wildwood beaches.?
