Rare Opportunity - Beach Block Duplex! You cannot compete with the incredible location of this property, situated just a few doors down from the stunning, white sandy beaches of Wildwood Crest! This building was renovated in recent years, and is the ideal opportunity for living in one unit while renting the other, or rent both units to generate a terrific income. Other options include sharing the property with another buyer or the property would be suitable for a condo conversion! There are endless possibilities for current and future uses, and they are rental ready. The first floor welcomes you with a front porch with ocean views. Inside is a spacious living room and eat-in kitchen with ceramic tile flooring and stainless steel appliances. These spacious units also have recessed lights and ceiling fans. With 3 bedrooms and 2 full bathrooms, plus a laundry room with washer/dryer and on demand hot water heater, this is a desirable rental unit. The second floor includes a living room with front deck offering tremendous ocean views, eat-in kitchen with washer/dryer, and 2 bedrooms with full bath. There is also a huge rear deck with plenty of room for lounging in the sun. In this unit, the living room and kitchen both have tile floors, recessed lighting and ceiling fans. Both units have gas heat and central air for year round comfort. You'll appreciate updates such as vinyl siding, newer decks with vinyl railings and clear glass panels for unobstructed views and a modern aesthetic. There is a driveway for plenty of parking, and the rear yard is concrete and offers entertaining space and / or additional parking. A storage shed, enclosed outside shower and separate meters for electric rounds out this incredible property. There are summer rentals booked in both units throughout the summer of 2025 and the total income for 2024 was about \$55,000. Opportunities to own properties in a location such as this simply do not become available often - act quickly!
