This remarkable property, once a cherished inn, is now a stunning full-home vacation rental hosting guests year-round. Originally built by Dr. Albert G. Stevens as his personal residence and medical office, the home has now been thoughtfully updated to meet today's standards while preserving its rich historical character. Boasting 12 bedrooms and 11.5 bathrooms, the layout includes 3 bedrooms on the first floor, 8 on the second floor, and a spacious suite on the third floor accessible by its own private outdoor staircase and a common interior staircase. Around every corner, you will find something to admire--from the multiple fireplaces (both gas and electric) to the charming, enclosed side porch, and the intricate architectural details that reflect true Queen Anne design. Step into the expansive backyard to find a luxurious inground heated pool with a jacuzzi tub and sun shelf--perfect for relaxing or entertaining. The outdoor deck and patio area provides an ideal setting for gatherings with family and friends. Situated on a 0.41-acre lot, the property includes rare off-street parking for 10+ vehicles, and a yard spacious enough for a barbecue or even a game of croquet. Enjoy peaceful views of Wilbraham Park from the covered front porch or unwind on the shady rear porch overlooking the sparkling pool. Ideally located just two and a half blocks from the Washington Street Mall and five short blocks from the ocean beaches, this estate offers easy access to everything Cape May has to offer--including a scenic bike ride to Sunset Beach which is home to the most breathtaking sunsets on the East Coast. Don't miss your chance to own one of Cape May's most iconic and beloved homes--The Albert Stevens Inn at 127 Myrtle Avenue. This is truly a once-in-a-lifetime opportunity.
