Welcome to a rare opportunity to own a truly exceptional beach block Penthouse, where breathtaking ocean views greet you the moment you walk through the door. This one-of-a-kind 3-bedroom plus den, 2.5-bath residence offers a luxurious coastal lifestyle just steps from the sand. Boasting an expansive and thoughtfully designed floor plan, the home features a spacious living room, elegant dining area, cozy den, and a gourmet kitchen — all seamlessly integrated to create the perfect environment for both relaxation and entertaining. Step out onto the large private balcony to unwind with the sound of waves crashing below or host unforgettable gatherings with the Atlantic as your backdrop. The interior is tastefully appointed with upscale furnishings and high-end finishes throughout. The kitchen impresses with rich tile work, gleaming granite countertops, and new black stainless-steel appliances, perfect for the discerning home chef. The oversized primary suite is a true retreat, featuring a generous dressing area, walk-in closet, and a luxurious en-suite bath complete with a soaking tub and a separate glass-enclosed shower. Originally built as the builder's private residence, this Penthouse has only had one other owner and has been meticulously maintained and extensively upgraded. The list of enhancements is too long to detail — but each one adds to the home's comfort, elegance, and value. Residents of the Verona enjoy access to premium amenities including a rooftop pool and lounge area with stunning views, a private storage area, elevator access, and two large off-street parking spaces. If panoramic ocean and beach views, elegant living, and a prime Wildwood Crest location are what you've been searching for, this spectacular Penthouse is not to be missed.
