#### COMMENTS

Welcome to 332 Portsmouth Road located in Tranquility Park, the coastal neighborhood nestled along the intercoastal waterway of Cape May between the Cape May and West Cape May bridges surrounded by protected wetlands, preserved woodlands and cool salt water breezes. Approximately one mile to the Cape May beaches this unique waterfront property offers scenic views, a large and open transitional living space with 5 bedrooms and 3 full bathrooms, a 2 car garage, enclosed rear porch and patio. Remodeled with a 2nd floor addition, this property offers 2 primary suites with en suite bathrooms, one on the 1st floor and an additional on the 2nd floor with vaulted ceilings and incredible waterfront views of the Cape May Canal. 332 Portsmouth is located on an intracoastal waterway that provides access to the Cape May Harbor to the Atlantic Ocean and Delaware Bay. This is a main thoroughfare for boats, sailboats, yachts, and Coast Guard vessels where the rear property lines that are adjacent to the canal are owned by the U.S. Army Corps of Engineers. Owners have full access to the canal and have the right to maintain and use the land, there is a yearly lease provided by USACE. This is a very rare and distinct opportunity for waterfront living in an ideal neighborhood setting with convenient access just off of Exit 0 with close proximity to the beautiful beaches of Cape May and Wildwood Crest.
