Welcome to Four Seasons at Stone Harbor! Easy beach living with all the extras and only 4 miles to Stone Harbor! This 3 bed (including a loft big enough for a 4th bedroom), 2 full-1 half bath, approx. 2405 sq. ft. townhome is priced for someone looking to take advantage of a GREAT buy! It is equipped with high end upgrades, 2-car garage, private entrance, BRAND new appliances, comes partially furnished and is the 2nd largest model and the only one in this model available to call your home! The 55+, prime location, picturesque neighborhood includes a pool, which is a rarity, and is situated in a quiet section of the parkway making it only a short 4-mile direct shot to Stone Harbor and into other beach towns without fighting the offshore traffic. The home is one of the few that face the pond and greenery for optimal privacy and relaxation. There is nothing to do outback except enjoy... gas hook up Weber BBQ, outdoor round table with 6 chairs and a remote awning are included with the sale, sweetening the pot to the already serene backyard vibe. Along with the two-car garage, the driveway fits another 2 cars. In addition, street parking is allowed, which is a huge plus and highly unheard of. Upon entering the house from the private walkway and patio, you will be greeted with stunning luxury vinyl flooring easily mistaken for hardwood. The stairs and railings were custom made to match for a seamless flow. The kitchen boasts a breakfast nook with bottom plantation shuttered windows and all brand-new appliances (6/25). The living room boasts a gas fireplace all redone with white stone tile and floor to ceiling shiplap wall. The living area can be converted to include a dining area and the ceiling extends up to the 2nd floor ceiling with highlight windows making for a grand statement and bright and airy feel. The large primary bedroom and bath with double sinks, brand new quartz countertop (4/25) and jet soaking tub are on the first floor along with a fully renovated powder room with high-end finishings, and a large laundry room with less than 2-years-old stackable LG w/d and a utility sink. The second floor is home to a spacious loft with plantation shutter windows, a large utility room with custom shelving and room for storage, a full bathroom and two bedrooms. There is ample closet space throughout including a primary bedroom walk in, a walk-in wrap around closet under the stairs and storage space in the 2-car garage. Other upgrades are all new interior doors and hardware, ring doorbell AND ring security system, nest thermostat, custom design walk in closets and the unit was completely repainted less than two years ago! Some interior furnishings include, but are not limited to, the dining table, white spool bed, like new loft sectional and loft TV (65")! Cape May County is known for its pristine golf courses (with one being only a mile away), local breweries & wineries, the "down the shore" lifestyle and shopping & restaurants galore and it all can be at your fingertips! HOA includes exterior insurance and maintenance, lawn care, roof, street plow and community pool with beautiful landscaping, gas grills, tons of seating, outside shower and bathrooms. This stunning home has been meticulously cared for and is waiting for new shore memories to be made! Call
