Down the shore everything's all right, and it truly is at this beautifully upgraded upside-down style home, tucked away on a quiet one-way street in the peaceful bayside section of Wildwood. Whether you're looking for a second home, a forever spot, or just a place to soak in the sun and sea breeze, this is the one that'll steal your heart. The bright, wide-open layout is made for shore living, with dramatic vaulted ceilings and a spacious great room that opens through double sliding glass doors to an oversized rear deck, perfect for coffee at sunrise or wine under the stars. "I got no time for the corner boys, down in the street makin' all that noise", just peace, quiet, and the soft hum of the bay. Each of the four spacious (and themed) bedrooms offers direct access to an outdoor deck, where you can feel the sunshine and let the breeze roll in. The upstairs master suite is your private escape, complete with dual walk-in closets, a beautifully tiled ensuite bath, and its own deck out front, ideal for slow mornings and salty air. Upgrades throughout the home include newer Andersen Renewal windows and sliding doors on the upper level, rich hardwood floors in the foyer and kitchen, custom paint and window treatments, a cozy gas fireplace, recessed lighting, and a stunning kitchen with granite countertops, beachy backsplash, and custom cabinetry with crown molding. Parking? We have it! 3 driveway spots plus space in the garage, and if you need more it's an easy block to park on. Dual-zone Nest-enabled central A/C and gas heat keep the home comfortable year-round. Newer Samsung washer and dryer add convenience, and outside, the fully fenced backyard features your very own private swim spa, perfect for pampering yourself or entertaining friends. So take that ride across the river to the Jersey side, you don't have to go far. You're already here. The first level offers three large bedrooms and a beautifully tiled full bath, while the upper level is reserved for the master retreat. With four total outdoor decks and every thoughtful upgrade already in place, all that's left to do is move in and enjoy. Down the shore everything is alright, so schedule your showing today.
