Situated directly next to Union League National Golf Course and just five short minutes to the beaches of Avalon, this is more than a home—it's a lifestyle. From the moment you arrive, the curb appeal is undeniable. A sweeping circular driveway leads to a two-and-a-half-car garage and a stately porte-cochere for convenient arrivals and departures. Nearly every inch of this property is impeccably maintained. Step through the front door into a grand foyer that introduces the home's impressive scale. The spacious living room offers direct access to the spectacular rear yard and pool area. Just off the living room, a sunken bar with dual pass-through windows connects to a five-seat swim-up bar in the resort-style inground pool—perfect for summer entertaining. To the right of the foyer, the formal dining room features hardwood floors, oversized windows, and room to host everything from Thanksgiving dinners to formal gatherings. To the left, you'll find a generously sized guest bedroom and one of the home's four full bathrooms. The Master suite is a sanctuary unto itself, complete with hardwood flooring, a dual-sided natural gas fireplace, private access to the pool deck, and a walk-in closet with custom built-ins. The spa-like master bath is finished in ceramic tile and includes a massive walk-in shower with dual rain heads, six body sprays, seamless glass doors, and a luxurious jetted tub. The heart of the home is a massive chef's kitchen outfitted with cherry cabinetry, stainless steel appliances, and a six-burner Jenair natural gas range. A breakfast nook overlooks the backyard oasis, while the adjacent family room includes the first of two powder rooms—with an exterior entrance ideal for beachgoers or pool guests. Upstairs, a second living area offers the perfect hangout space for kids or guests. Two bedrooms share a Jack-and-Jill bathroom and open to a private second-floor deck with sweeping golf course views. A third upstairs bedroom includes an en-suite bath accessible from the hallway or sitting area. Back on the main level, the large laundry room leads to the oversized garage and a finished basement that elevates the home's entertainment potential. The custom movie theater includes six leather recliners (with personal trays and near full-recline), drink warmers and coolers, and a professional projection screen for the ultimate viewing experience.
