

**1216 Washington
Woodbine, NJ 08270**

Asking \$450,000.00

COMMENTS

Three bed two full bath manufactured ranch home with a spacious living room. This home sits on a beautiful 28.39 acre tract of land that is surrounded by Cape May County Farms. The majority of the property is wooded with portions of the front being cleared. There is a fenced garden area next to a green house with other multiple buildings on the property. Over the course of the owners time there it has been a chicken farm with portions of the block chicken houses in the rear of the property, a ostrich farm, and they grew pumpkins. There are solar panels on the side yard that are owned not leased. If your looking to develop the Front 15 acres falls into Woodbines The front 15 acres falls into Woodbine's R-1 Residential Moderate Density 1 acre lot per single family. The Rear 15 acres falls into FAR forest agricultural residential zoning with a 20 acre per single family. The entire property is in the Pinelands zone. The property is also a prime candidate for someone looking to establish a horse farm or hobby farm. This property is being conveyed in asis condition.
