Spanning 1,427 square feet over two levels, this top-floor residence combines comfort, function, and an ideal location for boaters. The main level features an open-concept living and dining area, an updated kitchen with bar seating, two guest bedrooms, a full bath with tub/shower combo, and a laundry closet. Step out onto the private deck to enjoy water views and salty breezes. Upstairs, the spacious primary suite includes a private bath with tiled shower. This unit has been thoughtfully improved with newer central heating and air conditioning, solid core interior doors, and updated window treatments.
