Residential living in town center currently used as an office space. There is potential for a two family dwelling with city sewer and water at this property. Here are the rooms before they were utilized as an office. A nice sized living room, with dining room that leads to eat in kitchen, bedroom, full bath, primary bedroom, long room good for den. In the rear of the home is a huge space, could be divided into bedroom and living room with fireplace. This area also has a second kitchen and full bath and separate entrance. Garage is included and a good sized parking lot. Frontage on 2 streets, offers several possibilities for development.
