## COMMENTS

Fantastic opportunity to Build your dream Beach Home on this 50 X 100 lot! Highly sought after location on Atlantic Ave between 9th and 10th Ave. What a great neighbor across the street, check out the beautiful grounds of the North Wildwood City Hall and just a few properties away from the enormous Bill Henfey Park, consisting of multi-use fields, playground, basketball court, benches, picnic tables and more. The home is currently being used as a year-round residence. It is about 900 square feet, was built in 1954 and is being sold strictly "as is".
