Sitting on just under an acre, this property combines comfortable living with plenty of outdoor amenities. Inside, you'll find a formal living room with vaulted ceilings and a cozy gas fireplace, along with a recently updated kitchen featuring stainless steel appliances. The layout includes two guest bedrooms, a full hall bath, a convenient laundry/utility closet, and a master suite with its own private bath. A spacious 16' x 27' family room addition, lined with windows, fills the home with natural light and offers great views of the landscaped grounds. The exterior is designed for both relaxation and functionality, with a heated in-ground pool, expansive patio, and fully irrigated landscaping.
