COMMENTS

Centrally located near North Wildwood's shops, restaurants, and so much more, this one-of-a-kind home is designed for entertaining and year-round enjoyment. The stunning solarium opens to a Trex deck with stairs leading to a spacious patio area, storage shed, and a vinyl-enclosed outdoor shower. The main floor offers an open-concept design that seamlessly connects the kitchen, dining, and living areas. The kitchen features abundant cabinetry, a pantry, a breakfast bar with seating, with recent upgrades including quartz countertops, a new refrigerator, and dishwasher. Also on the first level is the primary bedroom suite with a large handicap-accessible bathroom, a convenient laundry area, and a second full bath. The second floor boasts four additional generously sized bedrooms with large closets, a full bathroom, and a linen closet. A versatile lookout area with a pull-out bed provides extra sleeping space or the perfect reading nook. Additional highlights include Heated indoor pool inside a sun-filled solarium, New vinyl plank flooring throughout the home, Large attic with pull-down stairs and extra storage under the rear deck, Charming front brick porch for enjoying the shore breeze, Parking for 3 cars plus a handicap ramp leading to the back deck, New central air unit and new hot water heater.
