Life on the water doesn't get much better than at 2019 Glenwood Drive. Tucked along one of Ocean City's most sought-after streets, this 6-bedroom, 4-bath lagoon front home with almost 3,400 square feet is designed for relaxed days, effortless entertaining, and making the most of coastal living. The first floor greets you with soaring ceilings and an open layout that feels light and breezy. Natural light flows through spacious living areas, creating an easy connection from indoors to out. The kitchen anchors the home with plenty of space to cook and gather, while the surrounding rooms keep everyone connected whether you're lounging, dining, or taking in the lagoon views. The master suite is a true escape, with a sitting area, walk-in closet, and spa-like bath. Each additional bedroom offers space to unwind, while the four full baths keep things comfortable for family and friends. Subtle designer touches, guided by Michael Mitchell of Charleston, bring an added layer of character and style throughout the home — and with the property being sold furnished, most of those carefully curated pieces and custom selections are already in place for the next owner to enjoy. Out back, the property transforms into your own private resort. A heated saltwater pool invites long afternoons in the sun, while the outdoor kitchen makes grilling and dining al fresco a breeze. The expansive deck takes entertaining up a notch, with a dining table that easily seats a crowd and a built-in gas firepit that sets the stage for unforgettable evenings by the water. Three boat slips with floating docks put the lagoon right at your doorstep — perfect for boating, paddleboarding, or an evening cruise at sunset. From poolside mornings to firelit nights, this property makes it easy to embrace the Ocean City lifestyle. Practical touches like a garage and high ceilings add comfort, while the overall design is all about casual elegance and the freedom to enjoy the coast. 2019 Glenwood Drive is a rare opportunity to live lagoon front on one of the island's best streets. Easygoing, stylish, and sold furnished with custom designer details, it's ready for its next chapter — schedule your showing today and come see what waterfront living is all about.
