## COMMENTS

Move in Ready! This adorable two bedroom home has been completely remodeled so there is no work left to be done. The home has hydro plank vinyl flooring throughout. There are new kitchen cabinets, custom stone countertop, stainless steel appliances, and new lighting fixtures throughout the house. The full bath has a ceramic tiled, new sink, toilet and shower surround. There are new baseboard heaters and a laundry/utility closet. There is a very large 75 x 90 yard for the option to expand the house, and a majority of the yard is fenced in. This cute and comfortable home is also a short distance to the Delaware Bay.
