The kitchen has beautiful, upgraded cabinets, a ceramic tile backsplash, granite counter tops, tiled floor, nice appliances, a pot filler located over the stove, and a built-in wine rack. The master bedroom is spacious, has an en-suite bathroom with large walk-in, tiled shower, and access to a back deck. The master bathroom is tiled and has granite countertops. The other 2 bedrooms offer plenty of room. All bedrooms have ceiling fans and good-sized closets. The hall bathroom is a full bathroom, tiled, and has granite countertops. All rooms of this well-appointed condo have upgraded trim throughout including chair rail, crown molding, and wainscoting. Full-sized washer and dryer are in their own room and are included. There is a large attic for extra storage. The huge, shared garage offers plenty of room for vehicles, golf cart, fridge, and all your beach gear. Through the back of the garage is a large, separate storage room (#4) just for this unit. There is a common backyard area in the back of the building that is fenced and for use by all units. The condo is part of a small, strong 4 unit association and can be used year round, is pet friendly for owners, has central air conditioning, and comes partially furnished (see Exclusion List). The condo fee of \$230/month is reasonable and includes liability and flood insurances, outside lighting, general routine exterior maintenance, landscaping and irrigation system.
