Asking \$999,999.00

## **COMMENTS**

This commercial space is part of a 4 unit mixed use building with both of the residential unit also available. The condominium master deed limits the massive first floor waterfront deck to the commercial space, offering up a ton of business potential. The 102 W side of the commercial space has been pre-plumbed to allow for a commercial kitchen and hood. Two large doors offer immediate access to the waterfront outdoor space.
