The first floor features bamboo flooring, a primary bedroom with private bath and stack laundry, a guest bedroom with pocket doors, a full bath with tiled shower, and an open-concept kitchen with center island and built-in cabinets. The bright living room with gas fireplace opens to a patio for outdoor dining and relaxation. The backyard is fenced in, offering privacy and flexibility, and includes a detached garage with work counter. Additional features include gas heat, central air, vinyl siding, and an expanded driveway.
