Perfect beach house in the perfect location close to the best beaches and the famous Ocean City boardwalk in Ocean City. Enjoy your own single family home with 3 bedrooms + ground floor flex space currently used as a 4th bedroom & 3.5 baths AND ONLY 8 HOUSES TO THE BEACH. Unique upside-down floor plan provides privacy to the bedrooms and also an open living concept with cathedral ceilings on the top floor where the dining, kitchen, and living areas are located - and head up a few steps further to the private roof top deck with great views - something you don't find often with a single family home!!! Great storage and room which allows this to be a wonderful beach side retreat for summer or year-round living. Primarily used as a second home, but this property also has great rental potential because it is located only 8 houses from the beach and boardwalk, and it is a single family home.
