The main house features 2 comfortable, well-sized bedrooms (one with a Queen sized bed and one with two twin beds) and an updated full bathroom with tub/ shower combo which was remodeled less than 5 years ago. Plenty of room for cooking in the kitchen and dining for 6 in the dining room which flows into the living area. Plenty of storage for bikes, beach chairs, and beach toys on the first level – and they come with the sale too! Bright and functional layout for long or short stays. The garage apartment was remodeled in 2025 with decorative white and gold finishes. It includes a queen bed, new tiled bath with large shower, full kitchen and a laundry room. Inquiries have been received for 2026, but no rentals are in place pending decision of the new owners. Off street stacked parking enough for 4 cars. Worth its weight in gold in Cape May! Live in one unit and rent out the other or rent both. Close to town, close to beaches, close to the marina area and close to the restaurants on the Lower Township causeway, this turnkey duplex is an unheard of find on the island — offering charm, flexibility, and an unbeatable location. Whether you're an investor or looking for your own slice of island life, this fully turnkey duplex delivers it all!
