Each residence is thoughtfully designed with contemporary finishes, open-concept living areas, and all the modern conveniences you'd expect in a new coastal home. This property offers incredible flexibility - live in one and rent the other, rent both for strong income potential, or complete a condo conversion and sell each unit individually. Both units feature: stylish, fully equipped kitchens with modern appliances, bright open great rooms perfect for entertaining, private decks and patios for outdoor enjoyment, convenient outside showers for beach days, a large garage plus ample off-street parking for both units. Set in the heart of Wildwood, you'll be just minutes from the beach, boardwalk, and local dining favorites - making it ideal for year-round living, a summer retreat, or an investment property with serious upside.
