Welcome to this charming 3 bedroom, 1 bath ranch situated on a quiet street with a fantastic, oversized yard. The huge garage is an incredible bonus with a washer, dryer, shower stall and toilet. Ideal for a workshop, gym, or transforming into an awesome "man cave". The newly added privacy fence makes the backyard feel like your own private retreat. Perfect for bonfires, gatherings, or simply relaxing under the stars. A "she shed" with electric offers a great spot for hobbies, a studio, or extra storage. Inside, you'll find original hardwood floors that could be beautifully refinished to bring out their natural character. The home features a gas fireplace that efficiently heats the entire house in winter, and brand-new, cold air conditioning to keep you comfortable all summer long. Cozy, comfortable, and full of potential, this home offers space to relax, play, and make it your own!
