Looking for an awesome 3-bedroom, 2 bath place that's super comfortable and has a great open layout? You might have just found it! This home is located on a beautifully kept street in Cape May Courthouse and is connected to city water and sewer—so easy living! The builder called this the \"Magnolia 2\" Model, which is a fantastic Rancher design. Walk through the upgraded front door with sidelights into the spacious living room with its extra-high 12-foot ceilings (the rest of the house has nice 9-foot ceilings, too). The kitchen is decked out with stainless steel appliances, granite countertops, and even a cute breakfast nook. The master suite is private and features a huge walk-in closet. Plus, you get two more bedrooms, and a second full bath. Outside, you can chill in the fenced backyard or on the oversized composite deck. And don't forget the insulated two-car garage with an automatic door opener—so convenient! The location is amazing! You're close to schools, shopping, great food, local wineries, and just a quick drive to the famous beaches of Cape May, Stone Harbor, and Wildwood. (FYI, this development is not a 55-and-older community.) Seriously, don't let this beautiful home slip away! Come check it out!
