COMMENTS

WOW! Rarely do you see a Newer single family home on a 60x100 Lot in North Wildwood. Priced at Less than some Newer Townhouses, This one is an amazing deal. Built in 2003, this one owner home was lovingly maintained by the family who built it. They are hoping another buyer will cherish this property as they have. There are tremendous opportunities both immediately and in the future. Firstly, the property is in move in condition in its current state. Feel free to unpack your bags and enjoy this almost 2600 square foot home. Secondly, You could choose to make some upgrades to this home and instantly acquire equity. Lastly, you could choose to knock it down and build 2 Townhomes (Please verify with planning and zoning to confirm). Things you'll love about this property. There is Parking for 5 cars minimum and a huge, fenced yard to keep the kids and the 4 legged family members from running off. The Front deck is perfect for people watching and being a part of the community while the back deck provides privacy and shade from your Retractable awning. Plenty of room to add a pool if you so desire. There is also an ample shed for your bikes and beach gear. You will also find the enclosed outside shower in the rear as well. The First Floor of this home features a LR, Family Room, Kitchen, dining, 1/2 bath, Laundry with enough space to add a 3rd Full bath if desired.
