Enjoy the captivating sights and sounds of the ocean from this beach-block home, located just four houses away from the beach path in a quiet neighborhood and only a short walk to town. Buried utilities on the street enhance the clean, aesthetic appeal. The 1st floor offers two bedrooms, one full bathroom, a laundry room, and a spacious family room overlooking the southern-exposed pool & patio area. The family room features a wet bar with a quartz countertop, built-in cabinetry, a beverage refrigerator, and a dishwasher. A sliding glass door opens to the rear yard for easy indoor-outdoor entertaining. The pool is larger than most, having been constructed under prior, less restrictive zoning regulations. The 2nd floor features an open-concept Great Room with a vaulted ceiling above the living & dining areas, creating a bright and inviting space. Enjoy ocean views from both the front & rear decks, and the refreshing ocean breeze flowing through sliding glass doors on both ends of the home. Each of the two bedrooms on this level has a vaulted ceiling with a skylight and private access to the rear deck. Additional highlights include a garage, built-in speakers, seating at the kitchen counter, and stainless-steel appliances. The property has a strong rental history with a number of repeat tenants, many of whom have expressed interest in returning in 2026. The 2025 Rental Income was over \$170,000! It's challenging to find a property For Sale with these benefits - on a quiet street, yet close to the beach & town — don't miss this outstanding opportunity!
