Open House Sunday, Nov 23rd 10:00am-1:00pm If you're like most people dreaming of a place at the Jersey Shore, you want something that's move in ready, close to the beach, and priced where the opportunity actually makes sense. That's exactly what makes this beautifully updated 1 bedroom, 1 bath condominium at 5400 Pacific Ave such a rare find especially in Wildwood Crest, where year-round residences at this level simply don't come along often. Step inside and instantly feel the inviting coastal energy. The entire home has been thoughtfully upgraded in a clean, beachy chic style from the fresh flooring and modern finishes to the bright kitchen and stylish bath. Everything is done for you, creating a seamless transition into the shore lifestyle you've been working toward. The community's spacious common deck is a standout feature an outdoor haven perfect for morning coffee, salty breezes, sunset conversations, and everything that makes Jersey Shore living feel so special. And here's where the urgency comes in: A fully upgraded, year round condo in Wildwood Crest at a truly reasonable asking price is the kind of opportunity that turns heads and disappears fast. Once someone else grabs it, that chance is gone. If you've been waiting for the right blend of value, lifestyle, and location, this might be exactly what you've been hoping to find. Dream big and remember anything is possible at the Shore. Condominium fee includes Master Flood, Master hazard/liability insurances, water, sewer, heat and hot water.
