The community is pet-friendly for owners, but renters are not permitted to bring pets. There is a one-time capital contribution fee of \$1,125 and a \$250 condo association package for new unit owners. There is a special assessment approved for 2026 to fund capital improvements, specifically replacing the elevators and installing new railings. The assessment is equivalent to four months of each unit's regular condo fees. For Unit 117, this total assessment equals \$1,500. The \$1,500 is split equally and will be due with each quarterly condo fee Q1, 2026. This is a rare opportunity to own a piece of Cape May paradise in a highly desirable location.
