

Redwood
Galloway Township, NJ 08205

Asking \$19,000.00

SJSRMLS

COMMENTS

Galloway NJ. Lots, For Sale. Need sewer extension, had DEP but expired, possible to revamp. A lot of potential to build new construction, single family homes. Redwood runs directly into Stockton's main entrance- Softly wooded land on a quieter street in a lightly developed neighborhood of Galloway Township but near major roadways. Lot dimensions are 120\ wide by 425\ deep. Lot appears to meet requirements to construct one single family home in regard to lot size and setbacks. No public water or sewer but available on street. Other lots that were sold already have Pineland's approvals, engineering and/or development applications will be Buyer's duty and responsibility. Lot is being sold in its \"as-is\" condition
