COMMENTS

This 30,000 square ft. property is an investors dream! 4 floors of commercial space with elevator shaft! In 1987 Mall Inc. purchased this as one of many of their malls. Bringing to the avenue a hair dresser, jewelry store, clothing stores, offices and plenty more were all once here in this mall. You have to see the size for yourself: it's huge! This property also is receiving rental income from the furniture store located on the lower floor. For Sale As Is! Lease also a possibility. Limitless opportunities here!
