Another fantastic project by Duncan Homes! Built by Surfside Construction, this 3 bedroom, first floor condo will offer everything you'd expect from a quality builder in Ocean City. This home will offer a wide front deck, luxury vinyl flooring, tile baths, and a custom kitchen with Medallion Silverline cabinets and quartz countertops, and stainless steel appliances. A scheduled completion date of 7/1/24 gives you plenty of time to choose your colors and make this home your own!
