5 S Penn is a great building in a nice quite location. Sitting in the Central Business District, this building is surrounded by professional uses. Comprised of five one bedroom units with electric heat, hot water and stoves/ovens. Plus one commercial unit on the ground level for a total of six rental units. Each unit is separately metered for electric, there is no common boiler. This is good building to manage with long standing tenants. Call for marketing package and additional details.
