### COMMENTS

Here is a nice 5 ACRES of woods total in Mullica NJ, Adjoining property is owned and is also listed and on market. Owner willing to package it up and make a deal with a total of 7 ACRES and a large building. Put the thinking cap on. Here is a great location for you and/or your business. Strike while the iron is hot for the owner has some great plans for this location as soon as he finishes up his current project.
