COMMENTS

Beautiful home located in a quiet development in Willingboro NJ with, Solar Panels, curb appeal, a two car garage, a drive way large enough for 4 cars. This is a quiet neighborhood, close to a school, park and the Rancocas Golf club, minutes away from I-295 for the quick commute to and from work. Your home is well maintained, the heating and hot water units have replaced in the last few years. With so few properties coming to market the property will not last long, contact me as soon as possible so you don't miss out on this gem in South Jersey. Additionally, the owner is also looking to sell much of the furniture in the home, when making your offer please let me know if you would like to purchase these items as well. Thank you and have a great day.
