What's better than a custom built home at the Beach?? How about a Custom Built home crafted for the Builder's themselves! Beautifully designed and constructed to reflect a tasteful, yet functional, lifestyle. Welcoming and warm with indoor and outdoor living space for a large family plus friends. Located on the 300 block in the A-Zone and walkable to all of the shops, eateries, and Beach! To much to list and, although the pictures help, they do not do this home justice. So, come and 'Sea' this one for yourself and you will want to move right in to this turn-key home.
