The house features beautiful hardwood floors, wood burning stove, huge full basement with new water heater and heater and electric. The house is currently used as a 2 bedroom but could be a 3 bedroom. The wrap-around screened porch is the perfect spot for morning coffee. There is even a swing hung from a big oak tree in the front yard. Need extra space for storage or home office? There is a separate bldg with ample room for that (needs a lot of TLC).
