COMMENTS

You won't find anything like this magnificent home fit perfectly for the cover of Architectural Digest at the beach!!! Charm galore from the cobblestone driveway to the adorned steps on the curved open staircase to the beamed high ceiling in the primary bedroom. Stunning from the second you step on the front porch! The main level offers a sunlit sunken living room looking out to the beautifully landscaped back yard oasis or simply relax in front of the fireplace and there's a separate dining room with French doors and many windows, enjoy cooking in the chef's kitchen with center island, laundry room, powder room. As you head upstairs to the second floor there are five bedrooms, two full renovated bathrooms at each end of the main hall, plus a bonus room. Off the entry foyer there is a doorway that leads to an attached garage for storage and down to a bright finished level for more storage. This home is in the prime location located only two short blocks from the beach in St. Leonard's Tract. This island home boasts a shaded backyard with a custom stone patio, a gardener's dream and a built-in outdoor cooking area. Make this prime piece of real estate yours!
