Views for days! When you arrive at 215 Bay Avenue, you know the home looks impressive from the outside, but wait until you see it from the inside! The outstanding views of the Great Egg Harbor Bay will captivate you from all of the living areas, as well as the master bedroom. With visibility all the way to Atlantic City, the landscape is incomparable. This 3 bedroom, 3 full bath home is highlighted by Brazilian hardwood flooring, new lighting fixtures and a double sided gas fireplace which can be enjoyed from the living room or family room. As you enter the living room, you'll notice that the cathedral ceiling allows for a large expanse of windows offering that breathtaking view. The living room opens to the dining area, and from there, French doors lead out to the sun porch. With three walls of windows overlooking the wooded back yard, electrical outlets and a ceiling fan, the sun porch provides many possible uses, such as relaxing, entertaining, or pursuing your favorite hobby. The beautiful kitchen will be the hub of your home, with plenty of space on the peninsula for eating or doing homework, granite counters that encompass the whole kitchen, gas cooking, and plenty of gorgeous maple cabinetry. The kitchen opens to the family room, again with those wide open views, and built in shelving surrounding the fireplace. Open up the French doors to the deck, and let those bay breezes in! Head up the stairs to find a spacious loft area, perfect for a play room or a home office, a hall bath, and three carpeted bedrooms. The master bedroom ensuite features a walk in closet, a gas fireplace, a double sink and a stacked washer and dryer. The balcony off the master bedroom will be a perfect spot to see the lights of Atlantic City in the evening. Down on the lower level, you'll love the extra large garage/utility/storage area, which also opens to the back yard and rear covered patio. The yard has plenty of room for a pool, and has mature trees and plantings. The enclosed outdoor shower is a convenient spot for rinsing off after a day at the beach or gardening. Additionally, the centrally monitored security system and sprinkler system add peace of mind. This home is located within walking or biking distance of the restaurants in the historic district of Somers Point, as well as the Somers Point beach. Take a look, and you'll want to make this YOUR home!
